## National Pastime Holds Strong at Agawam

**“Coach”** Dickerman’s baseball program is popular with campers of all ages. On Friday, July 16, the Ten-and-Under team faced off against nearby Camp Timanous. Agawam clinched a 5-4 victory on the sunny afternoon. **JC Espailat** was four for four with a triple, three RBIs, and one run scored. **AJ Edgecomb** had three hits, including a double, and scored two runs. **Gabe de Selding** and **Carlos Perez** scored the other two Agawam runs and Carlos and **Chris Balderston** each had an RBI. Well played, boys!

## A.A.I.T.T. – Victory!

In the 51st Annual Agawam Invitational Tennis Tournament, Agawam secured the team win. Great play was shown throughout the field in a number of hard-fought matches. **Zach Rioux** rose through the ranks and defeated last year’s champion to win the singles title. **Jake Sandler** and **Ted Moran** defeated **Si Rioux** and **Seb Reetz** to top out the doubles competition. **Nick Norena** and **Dave Feig** rounded out our team, placing third and fourth in the tournament.

## Where’s the summer?

Those of us who hail from the hot, sticky South have been pleased with this summer’s near-total lack of summery weather. Temperatures have hovered in the mid-70s, and nighttime temps have dipped down into the 50s. For the past week, more than a bit of rain has fallen, with thunderstorms blowing through on a number of days. The fields sure are looking great, but we’d all appreciate it if you could cross your fingers and hope that we get a bit more sun!
