

AGANEWS

Volume 18

Number 5

July 25, 2004

Molto Monday

Monday, July 19 was a day busier than we're used to at Camp Agawam. With four games in various sports against Crescent Lake neighbor Nashoba North, and a home sailing race with Wawenock, the vans were busy transporting campers throughout the afternoon. Soccer player **Nick Kearns** said that despite a 10-1 loss, Agawam's 13-and-under players played very well, and it was probably their best-played game of the season. **Tim Jablonski** said that Archery lost by a mere seventeen out of 600 possible points. Agawam had some success on the tennis courts, winning the 12-and-under competition, but getting edged out in the 15-and-under. On the home waterfront, sailors enjoyed a steady breeze for the mixed team event, and fun was had by all.

Trips! Trips! Trips!

During the past week, three trips headed out of camp into the wilderness of New Hampshire and Maine. The Rangeley Lakes trip spent five days canoeing. Paddler **James Goodenough** said, "It was great!" and had stories to tell of a fun rope swing, playing capture the flag, and spotting both a moose and a bald eagle. Appalachian Trail hiked for three days between Bond Cliffs and Mt. Lafayette in New Hampshire. They hiked 26 miles, reported **Tim Jablonski**, and it only rained for half of the last day. Despite not seeing much wildlife, Tim said that the trip was "really fun" and "awesome." The cabins of **Mason** and **Yale** went to Lord's Hill in nearby Lovell, Maine, where they spent a fun night camping. They camped near a farmhouse, ate yummy pasta and grilled chicken, hiked Lord's Hill, and explored a mica mine. Campers were sure to bring back some great ghost rocks!

Ag/Wam Update

For the past week:

Upper Tennis – **AGS**

Lower Tennis – **WAMS**

Lower Middle Basketball – **AGS**

Upper Middle Soccer - **WAMS**

Current season score: Ags 34, Wams 30
