Six-A-Side Soccer

The 17th annual Agawam Six-A-Side Soccer Tournament took place on Monday and Tuesday, July 26 and 27. Teams from neighboring camps Nashoba North, Timanous, O-At-Ka, Winona, and Laurel South came to Forbes Field for some exciting action. Agawam won in their first round game against Winona, 3-0. In the second round they beat O-At-Ka, again 3-0. Agawam's squad also prevailed in the third game, coming out ahead in their match with Nashoba, 3-1. In the semi-finals, the squad beat Winona once again. On to the finals! The final game against Timanous was a tense one, with the score tied at zero after regulation play. Goalkeeper **Mike Hauge** played a great game with quick reflexes, shutting down a number of powerful shots. Overtime passed without a score for either side. A second overtime got under way, but also ended at a 0-0 draw. Tournament rules dictated that the result be determined by shootout, and each team sent their most accurate shooters to the line. Timanous ended up taking the championship in the shootout. We applaud Agawam for their great play throughout the tournament!

Casco Days! Fun for All

A terrific lighthouse-themed float, "Agawam: Lighting Up Casco," put together by a number of hardy Arts and Crafts regulars, took third place in this year's Casco Days Grand Parade on Saturday, July 31. **Alex Marshall, Enrique Espallat, Will Oxman, James Ganendra, Carlos Perez, Seb Reetz, Jay Carroll, Josh Christy, Fritz Richter, Ethan Warner, Chris Reilly, and Charlie Moran** marched alongside the float donning sailor hats and home-made boats. Casco Days also puts on a four-mile run. This year, Agawam was represented by **Will Degerberg, Cam Panno, Hunter Sprole, George Williams, Will Gwozdz, Jake Sandler, Morgan Phillips, Will Stark, and Mike Hauge.**
