A.A.I.T.T. Roundup

Agawam fared quite well in the 52nd Annual Agawam Invitational Tennis Tournament. Seven campers formed the team: playing first doubles were **Gonzalo Moreno** and **Nick Phillips**, and at second doubles were **Ben Sataloff** and **Mike Anderson**. Singles players were **Jake Sandler** at the first position and brothers **Ted Moran** at second and **Andrew Moran** at third. Other teams joined us from nearby camps O-At-Ka, Timanous, Nashoba North, and Laurel South. Unfortunately, our doubles teams were eliminated during the first round of play, after hard-fought battles on the courts. Ted Moran and Jake Sandler were able to progress through the singles' ranks, and squared off in the final match. Along the way, the Agawam team was able to gain enough points to capture the championship. The Sandler/T. Moran final match was an exciting one, with strong, even play on both sides of the net. As the match reached 3-3 in the third set, it was postponed for dinner. Players were able to recommence the match after the meal, with many fans in attendance. In the end, Ted Moran was able to squeak out the win to place first in singles in the tournament. How! How!

Lacrosse Debuts as an Ag/Wam Event

On Saturday, August 6, the Ag/Wam teams played their first Lacrosse game. Lacrosse has long been popular in the mid-Atlantic states, but in the last few years has gained great popularity throughout the country. Many campers regularly play on school or local lacrosse teams in the fall and spring. Though the game did not count for any team points this year, players and coaches alike hope that it will be added to the regular Ag/Wam schedule in the future. Both teams played well as the Wams played hard to an 8-3 win. Standout players included **Alden Frelinghuysen** (Ag), **Cam Panno** (Wam), and **John Murphy** (Wam) at midfield, **Ted Moran** (Wam) at attack, and **Jake Sandler** (Ag) and **Reed Miller** (Wam) at defense. Goalies were **Bob Bernhart** for the Ags and **Paul Donohue** for the Wams, who both played very well.
