Camp Agawam

July 1, 2007

Greetings from Camp Agawam!

The *Aganews* is a weekly newsletter that serves as an informative guide of weekly, notable, and exciting events at Camp. The *Aganews* was developed in 1987 and it serves as living proof of the "Agawam Week" in review, which helps those of us at Camp remember the things that happened during the week. The *Aganews* also serves as the stationary for the letters that campers write each Sunday afternoon. The *Aganews* staff hopes you thoroughly enjoy our weekly account of camp life.

Camp Opens to Sunshine for the First Time in Two Seasons

The opening day of our 88th season at Camp Agawam was an incredible success. Starting in the late afternoon, enthusiastic campers began to arrive by car, bus, and plane from all over the country and the world. Despite the heat and a slightly delayed bus arrival, the campers and our staff settled in their cabins for the first night of the season. Old friends were reunited and 37 new campers were warmly welcomed into our Agawam family.

Tribal Chiefs Elected

The four tribes of the Agawam Council elected their chiefs for the 2007 season. Elected were **Ben Sataloff** for Mohawk, **Derek Richter** for Sinewa, **Will Degerberg** for Blazing Arrow and **Bowen Dunnan** for Wingfoot. Appointed Firekeepers were **Cor Bensen**, **Josh Christy**, **Alex Przedpelski** and **Luke Faust**. Congratulations to all Chiefs and Firekeepers!
