## AG/WAM Events

This past week, a total of fifteen points were up for grabs! To kick off the week, the upper Ags and Wams competed in a fierce volleyball match that lasted four games. The games were very intense and as the night progressed, each game became more and more competitive. The Wams took the event with a 3-1 win but each team showed great sportsmanship and dedication throughout the match. Some highlights of the night included **Hamlet Fort** and **A.J. Edgecomb** bringing the Wams back from a ten point deficit to take the lead in game three. Another highlight was **Josh Christy** unintentionally hitting the ball over the net using his head to try and help the Ags come back from the Wams early lead. At the same time, the Ag/Wam Upper Middle soccer game was taking place on Forbes field. **Brad Przedpelski** kicked it off by scoring in the first half for the Wams. In the second half **Miko McGuire** and **Sean Donohue** scored for the Wams and **Connor Murray** scored for the Ags, making the score 3-1 at the end of the game. This past Monday was Lower Track. **Michael Capasse** was the lead star of the sprinting competition and **Rolf Locher** had a long jump of 12 feet. Lower Basketball also took place and it was a really close event, but the Wams took the win with the MVP being **Alex Ostapiuk**.

## First Seadogs Game

This past Thursday a group of kids were taken to their very first Seadogs game of the summer. Even though the Seadogs came up a little short, the kids had a great time overall. The Agawam boys were complemented by lots of people around them for being really respectful, polite, and very entertaining.

## Six-a-Side

**Rob Macdonald, Kenn Fryer, Will Stark, Joseph Norena, Jack Martin, Sandy Brown, Alex Przedpelski, Conn Curry, Teddy Simpson, and Bernardo Gonzalez del Ray** hosted six other camps in the 21<sup>st</sup> annual Six-a-Side tournament. The Six-a-Side team really came together and performed competitively while demonstrating great sportsmanship. In their first game, Agawam competed against Camp O-At-Ka and ended up falling just short, as they lost 1-0. However, the team rallied and battled back in their game against Nashoba North. Agawam took the win and moved into the semifinals against Camp Winona. Some argued that Winona was the best team in the tournament, but Agawam came out running and took the early lead and ended up winning the game 1-0. Agawam had a chance at redemption as they once again met O-At-Ka in the finals. Early in the second half, the youngest player on the team, **Jack Martin** snuck one by the O-At-Ka goalie and put Agawam up 1-0. Jack's goal ended up being the only goal of the game and Agawam took the Six-a-Side tournament for the first time in six years.

## Intercamp Competitions

This past Thursday, our Agawam boys played in a 12 and under basketball game against Camp Timanous. Throughout the whole game it was really close as **George Phillips** and **George Cleveland** helped the Agawam boys score consecutive baskets. Even though the team came up a little short, everyone showed great sportsmanship all around.
